## Post 639 Commander

Fall is upon us. And things are going well. Our floor project will start on the 16th. Thanks to Ron Sanders for keeping up with the grant from Greene County. Post 639 will be closed for a couple weeks. Target reopening date is the 30th. We will be closing at 3pm on Friday the 13th to begin getting everything out of the Post. We will need volunteers to help on the 13th, 14th and 15th for clean out. Let me know if you have any questions.

Our outdoor events are winding down for 2023 and it's been a great one. Our support groups, employees and volunteers have worked hard again this year and are already planning for 2024. Thanks everyone.

One last thing. I want to thank Diana Cooperider and her ALA members for their generous donation to Post 639 to help get our Post ready for the future.. And I don't want to forget the individuals who have taken time to plan, made personal donations, and offered their services in our project. You all rock!

**Please continue to pray for our Country and our Post.  
Remember to fly your flag and stand proud for both .....**

## 639 Chaplain

### **Greetings LZ Post 639 !!!**

It has been a very eventful month. There was a great showing for the DeMolay youth group on 9/10 and the BSA Troop #24 on 9/11 for their Remembrance and Flag Retirement ceremonies. I thank all who attended and participated. (See Pictures on Page 7)

The Sons of the American Legion Hog Night was a wonderful event. Had a great turnout, good food, and fabulous music.

Reminder - the Post 639 remodel is just a few weeks away. Let's all remember one another while the Post is closed, and "give a hand up, not a hand-out".

**"For Thou hast been a strength to the poor, a strength to the needy in his distress, a refuge from the storm, a shadow from the heat, when the blast of the terrible ones is a storm against the wall"**

## Post 639 Service Officer

### **From Service Officer:**

I'm here to help you. If you have questions about Medicare, I know a gal. If you have questions about VA benefits, if I don't know, then I know a guy. Give me a shout! Let me help you.

Did you know, if you are using the VA for your health care needs and you go to Urgent Care (first 3 visits free) or the ER, both are covered, remember ambulance only covered if rated at over 30%. BUT you must call 844-724-7842 within 72 hours for an ER visit and 888-901-6609 to report your Urgent Care visit. Do NOT pay anything when you are at either location.

Been trying to volunteer a bit in the community. Went to Ribs4Kids, a partnership with Hy-Vee and fundraising for Foster/Adopt Connect. Have been approached for a few other things. Some are in school classrooms during the day, some can be after work. I need helpers. Let me know if you want to help! Listened to a great speaker from the Elks, retired Navy Chief, at Saluting Branches on the 20th in the National Cemetery. AND got to hear Bob Kalwat play taps on his Soprano saxophone.

Navy will celebrate it's 248th birthday on October 13th. GO NAVY!! BEAT ARMY!! Oh wait, that's not til December.. Lol !!!!

We also recognized and showed our gratefulness and gratitude for our **Vice President Terra Cooperider** for her continued service, since 2017, as our Membership Coordinator. “Hog Night”, what a great way to end September! If you didn’t attend, you missed out on a wonderful event. **(See Pictures on Page 9)**

Kudos to SAL’s **Thomas Long and our SAL brothers** for a wonderful event! The food was awesome, the band was fabulous and the membership table produced several leads for po-

tential members for all of our organizations. So many people to thank for their help from all of our members. There are too many to list and I don’t want to miss anyone so please just know, we are grateful for all of you who stepped up and in to make this event such a huge success. I do want to thank our sponsor, Renegade and the vendors who donated gifts and cards for the giveaway raffles; A&B Cycle, Wing Stop, IScape Candles, Charlotte Kelly and Penny with Avon. Also, ALR for the 2 Visa gift cards and well as ALA for the 2 Hy-Vee gift cards. Special thank you to Honky-Tonk Renovators for helping us throughout their set with the gift drawings. This event just proved, once again, how well we all at Post 639 work together to “Get it Done”.

The surprise of the evening was **Marsha Crom** stopping by for a little bit. We were all happy to see her but her showing up meant that Mr. Jackson was much, much better. Awesome news! Thank you to all who personally contributed to Marsha’s birthday/appreciation gift and to all of our VSOs for your contributions. I know by her reaction she didn’t see that one coming and we all know how hard it is to pull one over on her. Marsha.... we got you!

ALA will not be holding its annual Children’s Halloween party this month as the Post will be closed for renovations during that time. Starting Saturday, October 14th, the Post will be closed for a couple of weeks. New flooring, lighting, bar renovation and so much more. With all that is happening, volunteers are needed to clear the building of all equipment before Monday when the crews start coming in. Please mark your calendars for that weekend and plan to come up for a couple hours to assist. More information to come as we get closer to that date.

ALA had a beautiful etched memory bench made and donated to us by **Edie Reiman and Adam Hernandez**. The bench was made “**In Memory of our Post 639 Veterans**”. Thank you, Edie and Adam!

I would like to take this opportunity to thank the members of ALA and especially the E-board members of ALA for working together on our donation proposal to Post 639. Many long and hard hours were put into this proposal and you should be proud of the job you did. I know it was not an easy task but, NICE JOB ALA. I am very proud of all of you.

Yesterday is gone. Tomorrow is never promised. You only have today. So today, tell someone you are grateful for them being in your life. Tell them how much you appreciate all that they have done for you. Let them know how much you love them. You may not get the chance tomorrow because tomorrow is never promised.

**In Spirit of Service, not Self**

## Post 639 SAL Commander

Hog night was a success !!! A **HUGE THANK YOU** to everyone who helped working the event and who came out. We served over \$1040 in concessions on Bike Night and we have information collected for about 30 potential new members for the Post, and 10 interested in Sons, which is AMAZING.

For the near future, we have more opportunities for membership at the upcoming Army/Navy game we would like to host. We are also looking at a Poker tournament in February, so get ready for some fun times to come !!

The Sons of the American Legion are always looking for New and Past Members!

The Sons are made up of male descendants of Veterans who served in the US Armed Forces. Show your appreciation for your family members Service, and keep the memory of those brave Service members alive.

Our motto is "Serving Those Who Served" this great country. We do this through our events and volunteering at the LZ 639.

Annual dues are only \$25... and you get soooo much more out of your service to these brave vets, who fought to provide the freedoms each of us enjoy every day. Service with fun / fellowship - that's what you get !!

We are always interested in talking with individuals who want to help our beloved LZ 639. We meet at 7PM on the last Tuesday of each month.

Come out and sit in on a meeting or talk with a few of our members. Jump in and find your spot in SAL. Service and fellowship memories that will last you a lifetime ...

## Post 639 ALR Director

Most of you know by now that September has been a roller coaster for us with Ron Jackson's medical emergency. Our deepest, sincere thanks to all of you who have supported us during this challenging time in our lives. This month, I'm giving over the ALR section to Ron for his thoughts.

**From Ron Jackson .....**

Just a short note to all my friends in ALR and post 639. As many of you know, I've been a little under the weather lately.

Starting with a dislocated hip and badly sprained ankle on Monday the 4th, I've been in Mercy Hospital and Mercy Rehab hospital until yesterday.

As it turned out I also had some kind of infection in my blood, that I knew nothing about. The Doctors gave me about every medical test known to science while I was in. As fate and the Good Lord would have it, they found an antibiotic that is fighting the infection. I'm still on IV antibiotics at home. Luckily I've got an in-house nurse to help me out with the injections. I guess I'll be on the current medication until October. Then I get to go on oral antibiotics for the foreseeable future.

Thank you also to my brothers in ALR and Red Knights, for the escort when I was discharged from the hospital. As road captain of both groups, I invoked our rule of all rides begin and end at the post. So our next stop was Post 639.

I want to take this opportunity to recognize Marsha Crom, for all she has done on my behalf. Not only for her assistance here at home, but for being my advocate at the hospital and with the Doctors.

Love you, Babe.

**Thanks for all you do, Riders. Ride safe out there .....**

## I posted this on Facebook on January 27, 2021 .....

*“Just saw an interview with a Holocaust survivor in **Long Island, NY** who gives presentations on her experiences to students. She said something that **ASTOUNDED** me - the kids she taught (looked like late middle school / early high school) knew "very little or nothing" about the Holocaust. I'm not often speechless, but I am with this ... “*

In a response to a recent post on Facebook regarding the September 11th remembrance, one of my Minnesota high school friends (now resides in Arizona) relayed how his Kindergarten granddaughter's class handled the anniversary, studying the event of 9/11 and its meaning to our country. He also said that, during the evening newscast, a number of college students were asked about their thoughts on the day. Many of them knew nothing about it, and were surprised when told. Again, I was astounded. How can this be?

I can't speak with authority to the pervasiveness of this situation in our educational system, but the fact that it exists at all is alarming, to say the least. Based on conversations I've had with teachers in a number of school systems, I suspect the issue is **much, much larger** than we suspect, as we observe the constant effort to erase the country's history from school curriculums and rewrite it.

To say that these circumstances are concerning is a major understatement to the extreme. It can make you lose hope, **UNTIL** you observe activities such as our Flag Retirement ceremonies, held here at the Post on 9/10 and 9/11 by DeMolay and BSA #24, led by Post 639 Chaplain Frank Grantham.

In 1919, The American Legion was founded on four pillars: Veterans Affairs and Rehabilitation, National Security, Americanism, and Children & Youth. The Legion's pillar of **Americanism** embodies its devotion to law and order, **the raising of wholesome youth, an educated and law-abiding citizenship, and respectful observance of patriotic holidays and remembrances.**

What I saw during those ceremonies renews my faith that we are fighting the trend to change history, and are deeply involved in the very essence of that Pillar. I am thankful that Post 639 is true to our mission on educating our young people on Americanism, and filling in the huge gaps left by our educational system. As long as these efforts continue at Post 639 and others, there will be significant pushback to the negative forces at work to change how our children see America.

## Give Vets Hope

As I write this we are almost into October, WOW! I wanted to share exciting news for our Give Vets Hope group. On September 28, 2023, we are reaching our 5 year anniversary, which will be celebrated on September 26! We had group on September 12, 2023 and discussed our celebration and that becoming a great listener is one the most important traits in a support group.

Our group is continuing to grow and one thing that has been noticed in the past few groups is that once we conclude our meetings, we see how everyone really comes together and continues to talk to one another. I am so proud of being a part of this support group and the Talking Stick has been a success so far!

We invite all veterans and their families to attend our group. We also welcome support animals. We always have plenty of pizza and soda for everyone. I am so happy that this group has reached 5 years and I couldn't ask for a better co facilitator and co-founder that has been there for us the whole time...even through obstacles with COVID! David took time every Friday throughout the pandemic and after to call and check on the people from our group. David Suits has been our rock and we appreciate all of his hard work and dedication! We want to also thank VFW Post 3404 for their ongoing support for our group being able to come together twice a month.

In conclusion, we will continue to grow and become better listeners as a group and carry on many more years of support for our veterans and their family, friends and significant others. If you would like more information about the Give Vets Hope group, please contact David Suits at: [davidsuits25@gmail.com](mailto:davidsuits25@gmail.com) or call and leave a message at 417-773-1837. Happy Fall!!!!

The remarkable accomplishment by Soviet Russia sent a shockwave through the American political leadership resulting in U.S. efforts to be the first on the moon.

**October 6, 1949** - "Tokyo Rose" (Iva Toguri d'Aquino) was sentenced in San Francisco to 10 years imprisonment and fined \$10,000 for treason. She had broadcast music and Japanese propaganda to American troops in the Pacific during World War II. She was pardoned by President Gerald Ford in 1977.

The building was first known as the "Presidential Palace," but acquired the name "White House" about 10 years after its completion. It was burned by British troops in 1814, then reconstructed, refurbished and reoccupied in

1817.

**October 14, 1890** - Dwight D. Eisenhower, the 34th U.S. President was born in Denison, Texas. He served two terms as President, from January 20, 1953 to January 20, 1961. ## For The Good of the Legion ...

The American Flag, as we know it now as the “Star Spangled Banner - Old Glory” is a symbol of freedom, liberty and opportunity. Every country has a flag that represents them, and they are proud of it. **So do we.**

Our flag has waved over America for generations, and we hope and believe it will keep waving for freedom.

Our flag does not cost a lot to make - just a few dollars for the materials. But if you could ask those who chose to give the ultimate price, it would be a gigantic task to add up. If you consider the cost of how much time, effort, sacrifice and risk from its inception until what we have now, hardly any bank could afford to pay it.

It depends on what group you talk to as to the value.

- To an American citizen, it is a priceless gift of immeasurable value.
- To an illegal immigrant, they would likely say “it’s not from my country so I couldn’t care less.”
- Others don’t appreciate it, and would just as soon burn it. One might light a match to the cloth, but the thoughts, desire and determination of making the American dream happen cannot be put out.
- *To those early Americans, like Francis Scott Key, the desire, determination, sacrifice and risk of danger was so great to wave a flag to represent their thirst for freedom was too great to NOT risk achieving their goal of freedom. (re-word this)*
- To those brave American Veterans who have been through the hell of wars, they would say it is a treasured, earned gift to both them, and the thousands of their comrades who paid the ultimate price of freedom, and to the families who saw the flag draped caskets coming off of a military aircraft, they were saddened that their loved ones came back that way, but the Honor was worth it.
- To those non-Citizens that wish to become American Citizens, they would have to consider the cost that they were expected to pay. Not just raising their hand and saying “I will”, but look at the requirements list that may include The Pledge of Allegiance to American values. They would have to consider that by “Pledging Allegiance”, it meant that they are a legal, loyal immigrant for at least 5 years, have no criminal record, and have a good tax-paying record. It would mean they are willing to serve their new country, and

be willing to honor and protect the integrity of America and become productive citizens. It would mean they are willing to serve if called up, and risk giving the ultimate price to be an honorable American citizen.

- Then they must be willing to honor the flag, show it respect, salute it by rendering the Pledge. Keep it safe, not letting it touch the ground, fly it daily in pleasant weather, display it properly, and dispose of it honorably when it is old and worn. Fly it at half-mast when required, and learn how to fold it when not being flown.

Our flag was developed in four different prototypes during its progressive construction. The four types were:

### #1 THE GRAND UNION

Flown at the birth of the Continental Army, January 1st, 1776, used extensively by our early Navy and Merchant Marines.

### #2 THE BENNINGTON FLAG

One of many interpretations of the law of June 14, 1777 providing for 15 white stars on a blue field with its 13 stripes.

### #3 BETSY ROSS FLAG

The flag carried by the warship “Ranger”. Commanded by John Paul Jones, the Ranger was the first Man-of-War to fly the “Stars and Stripes”.

### #4 THE STAR-SPANGLED BANNER

1791-1818, 15 stars, 15 stripes. Francis Scott Key observed it still flying “gallantly streaming” over Ft. McHenry in 1812.

### Charlie Weaver

## Volunteer Opportunities at the Legion

As always, we have several volunteer opportunities for members and non-members. Currently -

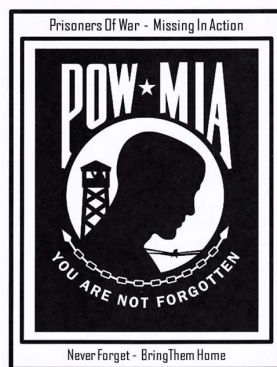

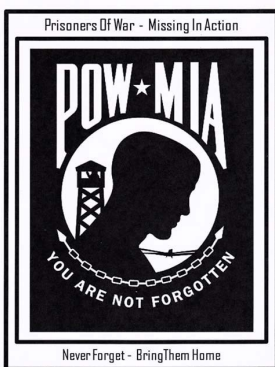

- The Post Historian is looking for someone with advanced computer skills to assist in the production of the Post 639 Newsletter.

- We get requests for Post 639 members to present awards to schools (JROTC), Senior Citizens, Community Organizations, etc. If you would like to assist with this, let us know.

- As our buildings age, maintenance has become a growing concern. If you have any skills in any of the trades, or if you are a "Jack of ALL Trades", we could use your help. There are several projects pending.

- We're always looking for those with cooking skills. Special events, cooking lunch on those days when we need a sub to fill in, etc. If you want to show off your culinary skills to the membership, please contact the Post and we'll get you set up.

Volunteers are what allow Post 639 to function. **YOU ARE NEEDED.** Call the Post at 882- 8639 and we'll get back to you.

# Ongoing Suicide Prevention

EVERY month is Suicide Prevention month. Always be vigilant for your brothers/sisters that might need help.

Some signs of concerning behavior include:

- Hopelessness, feeling like there is no way out
- Anxiety, agitation, sleeplessness, or mood swings
- Feeling like there is no reason to live
- Rage or anger
- Engaging in risky activities without thinking
- Increasing alcohol or drug use
- Withdrawing from family and friends

If you notice any signs of concerning behavior here are some things you can do:

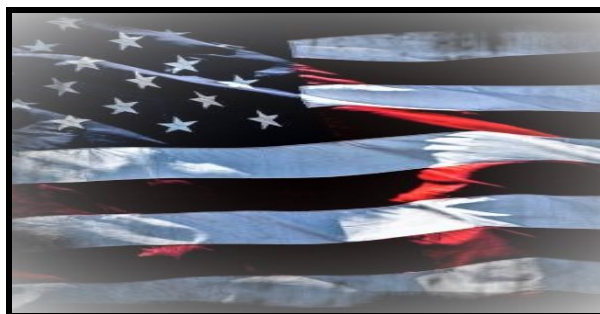

- **Start a conversation:** Mention the signs that prompted you to talk to them. Stay calm and let the person know you want to help them. Don't leave the person alone.
- **Listen, express concern and reassure the individual:** Let the person know you care and that you take the situation seriously. Letting the person know you care will go a long way in establishing a support system.
- **Create a safety plan:** Ask the person if they have access to anything that could harm them and call for help if you feel the situation is dangerous.
- **Get the individual help:** Provide resources for the individual. **Call the Veteran's crisis line at 1(800)-273-8255.** Or if you feel the situation is severe, take the individual to the closest emergency room or call for help.
